All Technology Suppliers,

Date: 21 January 2019
Ref: Letter technology suppliers

Dear Sir / Madam,

It is our immense pleasure to inform you that under a EU supported METABUILD Project, we are going to organize a Technology Fair for assisting our participating metal industries to implement recommended options to enhance productivity, minimize waste generation and to improve working conditions. All the participating industries such as fabrication, wire drawing, cable making, rolling Mills, Foundries, Galvanizing and Electroplating industries will be visiting the Fair to get exposure, to explore and to place order for the available efficient and cleaner Technologies to implement the measures. It will be a valuable opportunity for you to exhibit your supplies on such technologies.

We heartily request you to display and exhibit the type of technology you are supplying so that interested industries will be able to see, discuss with you and if convinced, they will contact you or may be also place order for the type of technology you are supplying. We provide for you 3 m X 4 m of stall with the following facilities all free of charge:

- One Table
- Two Chairs
- Two spot lights
- One name board
- 220 V, 5 A plug point electricity

We request you to decide and communicate to us about your participation as an exhibitor by 12 February 2019 as there are limited stalls. The date and venue for the Technology Fair is as follows:

Date: 27 February 2019, Wednesday (so you will have to prepare on the Tuesday evening of 26 February)

Venue: Garden Area, Bhrikutimandap Exhibition Area, Pradarshani Marg, Kathmandu, Nepal

Thanking you and with best regards,

Sincerely yours'

Amar B. Manandhar

Executive Director and Project Manager, METABUILD Project
