

### **SEED Nepal to Implement Cleaner Production as the Partner of Mercy Corps (MC)**

Society for Environmental and Economic Development Nepal (SEED Nepal) will be implementing Cleaner Production (CP) in Woolen Yarn Dyeing, Carpet Washing and Pashmina Industries in the Kathmandu Valley as the Implementing Partner of Mercy Corps under the SWITCH-Asia Project on **"Enhancing Sustainability and Profitability of the Carpet and Pashmina Industries in the Kathmandu Valley"** under grant assistance of European Commission (EC). Mercy Corps and SEED Nepal have signed an Agreement for the implementation of the Project on 1 September 2014.
